

No More Rain (Jack's X-tended Mix)

Kylie Minogue

Have you ever thought that the sky was just endlessly dark?
And then look up and see a million stars
Have you ever been scare off the water it's stuck on the edge?
And then you dive in, how quickly you'll forget You know fears, they capture the way, get by
Now that I'm back in the light, so warm I feel it like a Wave of love coming over me
Got greater drop fall and I'm on my knees
Got the sound of you ringing in my ears
Sun coming up on another day
Got a second hand change gonna do it again
Got rainbow colors and no more rain (Rain) no more
(Rain) no more
(Rain) no more
(Rain) no more Have you ever dreamed you were flying until you look down?
You never moved an inch feet firmly on the ground (feet on firmly on the ground) Our love carries a hurt that
you hold
Funny how live can unfold, oh yeah I feel it like a Wave of love coming over me
Got greater drop fall and I'm on my knees
Got the sound of you ringing in my ears
Sun coming up on another day
Got a second hand change gonna do it again
Got rainbow colors and no more rain (Rain) no more
(Rain) no more
(Rain) no more
(Rain) no more Wave of love coming over me
Got greater drop fall and I'm on my knees
Got the sound of you ringing in my ears
Sun coming up on another day
Got a second hand change gonna do it again
Got rainbow colors and no more rain Wave of love coming over me
Got greater drop fall and I'm on my knees
Got the sound of you ringing in my ears
Sun coming up on another day
Got a second hand change gonna do it again
Got rainbow colors and no more rain (Rain) no more
(Rain) no more
(Rain) no more
(Rain) no more
