Beast

Bride

The devil's head is along the highway
He's eletric and gotta nothing to say
Not an easy road in the heat of the day
I'm sick and tired of the tolls I've got to pay
Do you fill my head with lies
I'm sleeping uneasy tonight
My body is broken and I am shaking inside
Pearls before the swine love is a higher law
The purple sky brings out the hungry dogs
Sonny boy Williamson can you tell me what went wrong
Can I have your shoulder to lean on
When a child is unwanted they say justice falls
Let's go into the poor neighborhoods and machine gun them all Salvation is a dove and a branch the rainbow crucified Chill the Messiah who is you Jesus Christ
