Voyage

Scott Krippayne

Just off the shore of my everyday life
Only a heartbeat away
Adventure is pulling up anchor tonight
I've got no time to delayOh, west is how everyday ends
Oh, a new dawn is calling againI want to sail
Into the sunrise
Right to the edge of the new
Way beyond me, out 'cross the sea
Into a beautiful truth
A journey awaits
Incredible stories
I'll live to tell you the tales
I want to know
I want to go
I want to sailBattles and voyages, open your eyes
Dragons aren't all that they seem
When you're the hero and you're in the fight
You write the end of the sceneOh, tell me what spell must I break
Oh, I want my soul wide awakeRepeat ChorusRight through waves of my fear
(I want to sail)
Out where the waters run clearRepeat Chorus
