

# Rolling Stone

## Robert Pete Williams

Red One, oh, Pixie

My heart is bouncing like a hip-hop beat  
Boy, this is half the drama you're causing me  
But I can't decide if it's good or bad for me

For me, yeah, yeah

You say the ride was looking deep in my eyes  
You give me pleasure 'cause I constantly smile  
But I can't decide if it's good or bad for me

For me, yeah, yeah

But there's one thing

That you should know about me, hey

I'm not a hit you play, a one-hit wonder stone  
I need a stand up guy, don't want no rolling stone  
I'm not a city you visit when you're out on tour  
I need a stand up guy, don't want no rolling stone

Rolling stone, rolling stone

Rolling stone, rolling stone

Rolling stone, no, rolling stone

Rolling stone, rolling stone

Rolling stone, rolling stone

Rolling stone, no, rolling stone

You got all my girlfriends are all on your side  
They say go keep your cool and give it a try  
But I can't decide if it's good or bad for me

For me

You keep on jumping in and out of my life

And every time it's such a beautiful ride

But I can't decide if it's good or bad for me

For me, yeah

But there's one thing

That you should know about me, hey

I'm not a hit you play, a one-hit wonder stone  
I need a stand up guy, don't want no rolling stone  
I'm not a city you visit when you're out on tour  
I need a stand up guy, don't want no rolling stone

Rolling stone, rolling stone

Rolling stone, rolling stone

Rolling stone, no, rolling stone

Rolling stone, rolling stone

Rolling stone, rolling stone  
Rolling stone, no, rolling stone  
    But there's one thing  
    That you should know about me, hey  
    I'm not a hit you play, a one-hit wonder stone  
    I need a stand up guy, don't want no rolling stone  
    I'm not a city you visit when you're out on tour  
    I need a stand up guy, don't want no rolling stone  
    Rolling stone, rolling stone  
    Rolling stone, rolling stone  
    Rolling stone, no, rolling stone  
    Rolling stone, rolling stone  
    Rolling stone, rolling stone  
    Rolling stone, no, rolling stone  
        Yeah
