

Touched

Vast

Touched,
You say that I am too,
So much,
Of what you say is true,I'll never find someone quite like you,
Again,
I'll never find someone quite like you,
Like You,The razors and the dying roses,
Plead I don't leave you alone,
The demi-gods and hungry ghosts,
God, god knows I'm not at home,I'll never find someone quite like you,
Again,
I'll never find someone quite like you,
Again,I looked into your eyes and
Saw a world that does not exist,
I looked into your eyes and,
Saw a world I wish I was in,I'll never find someone quite as touched as you
I'll never love someone quite the way that I loved you.
