Oh! What up baby? ATL, Dave Mack, Kells
We up in here, uh
This is for all the ladies, uh, all around the world
On your mark, get set, go!

In every mall around America, it really doesn't matter where you are
We are talking to you, ladies ATL is on the way
In the back of the club of the range rove
Take your hand and turn up the radio, tryin' to holla at you
It's them country boys from around the way

Who wants some real love in their life?
Wave your hands in the air, now scream it out oh yeah
Who needs some real love in their life?
Wave em' side-to-side, now where are all the sexy girls at

Callin' all girls, all around the world
We wanna get to know you
Callin' all girls, all around the world
We just wanna' love you

Now, every city, every block around the globe
Every girl, every area code we be in your town
Show us some love 'cause there's one girl
For each one of us guys and we just wanna switch
Them numbers and perhaps call you sometime

Who wants some real love in their life?
Wave your hands in the air, now scream it out, oh yeah
Who needs some real love in their life?
Common and wave em' side-to-side, now where are all the sexy girls

Callin' all girls, all around the world
We wanna get to know you
Callin' all girls, all around the world
We just wanna' love you

Goin' world wide
Goin' world wide
Goin' world wide

Goin' world wide

I like 'em brown, yellow, Porto Rican or Haitian
Slim, thin waist with a beautiful face and
Yeah, you know though you got the mono log
Timbs on, yes headstrong rollin' for dollo

I see you in the summer time wearing capris
Looking so good it feel like a 100 degrees
Mami please, I need me a chick to stay down
Hittin' so many cities, they call me greyhound

I'm searchin' for the finest, the type of girl that's rough
But still a diamond, tastes like Phyllis Haimand
I'm looking for a mami, a girl that'll chill and discuss
And play the cut, don't be sayin' too much

But I'm not consuming them, some say that I'm booin' them
But 20 cent do, I'm known for baggin' two of them
That's how we doin' them, it ain't hard to tell
You need to holla at the boys called ATL

Callin' all girls, all around the world
We wanna get to know you
Callin' all girls, all around the world
We just wanna' love you

ATL, we callin' out
Chi Town, we callin' out
New York, we callin' out
M I A out to L.A.
[Incomprehensible], we callin' out
[Incomprehensible], we callin' out
