

# Lemon

## Troublemakers

Each second of my life  
will letting me in trouble  
Don't let you can't let get you down  
If you know that brother  
Time after time  
And day after day  
I'm feeling more free

Each second there's a crime  
At last the number  
Life is not a game  
You know that brother  
I'm free  
Like the music in my mind . . . I want to keep my soul

(Refrain)  
I wanna be free  
So once in my life . . . Free  
So that I reach the sky . . . I wanna be free  
Free like a bird . . . Free  
Like the morning sun . . . I wanna be free  
Free like my heart . . . Free  
Like the moon at night . . . I wanna be free  
Free like a dream . . . Free  
Just once in my life . . . I wanna be free  
Free like a child . . . Free  
In my mother's heart . . . I wanna be free  
And even if I don't know why . . . Free  
I want you to turn left and right . . . I wanna be free  
Free free free  
Singing lalala . . . I wanna be free  
So once in my life . . . Free  
I wanna be free that soul

Where is my paradise  
And down me  
Where is lady day

I go like a stranger

But life is not Broadway

Oh ? no compromise  
From now and every day  
Never leave my say

Hey bro . . . I want to keep my soul  
I'm not the only one . . . I want to keep my soul  
I'm not the only one . . . I want to keep my soul

I wanna be free . . . Free  
I know . . . Free  
I know it's your truth even if I ain't with you  
I wanna be free . . . Free  
I know . . . I wanna be free  
I know It's your truth . . . I wanna be free  
even if I ain't with you . . . I wanna be free  
I know . . . Free  
it's your truth even if I ain't with you

Each second of my life  
Will letting me in trouble  
Forget about your money  
I want to keep my soul . . . my soul  
Time after time  
And day after day  
I'm feeling more and more free . . . I want to keep my soul  
Free . . . I want to keep my soul  
Like Marvin Gay . . . I want to keep my soul

(Refrain)
