Etcetera

R Kelly

Baby, I'm so glad you're over here
Now I get to show you all the things
That I been wantin' to show you for such a long time
Don't say nothin'Picture this you and me in the kitchen babe
On the counter feeding each other fruits babe
Straight from there walk into the bedroom babe
I touch your hair and then you turn around
Saying,"What's on your mind?"
And girl tonight we'll be making sweet loveGirl tonight, we'll make sweet love
Until the rain comes falling down on you and me
All of these things and etcetera, etcetera, etceteraWanna kiss you places you want me to
Promise girl that I'll do all of these things
And etcetera, etcetera, etceteraDoing you pretty much all night long babe
Till I hear you screaming my name babe
In the pool you and me skinny dippin' darlin'
Kelly's rules no playing hard to get
Now tell me what the deal
'Cuz girl tonight we'll be making sweet loveGirl tonight, we'll make sweet love
Until the rain comes falling down on you and me
All of these things and etcetera, etcetera, etceteraWanna kiss you places you want me to
Promise girl that I'll do all of these things
And etcetera, etcetera, etcetera(Put on some clothes and let's go to the IHOP, baby)
Let's go to the IHOP babe
(No, no, no)
Baby we just made love
(No matter how good the food may taste)
No matter how the food may taste
(I'm still thinking about your body baby)
It's your body I'm thinking of
(Yes I am)Girl tonight, we'll make sweet love
(Say well make sweet love until)
Until the rain comes falling down on you and me
(The rain comes falling down)
All of these things and etcetera, etcetera, etceteraI gonna kiss you places you want me to
(I am gonna kiss you yeah)
Promise girl that I'll do all of these things
(In a spot that makes you feel good tonight)
(All of these things)
And etcetera, etcetera, etceteraGirl tonight, we'll make sweet love

(Tonight is the night)
Until the rain comes falling down on you and me
(That I make you my woman, yes it is)
(All of these things)
All of these things and etcetera, etcetera, etcetera
(Say I'm gonna kiss ya, yea)I'm gonna kiss you places you want me to
Promise girl that I'll do all of these things
(Promise girl, no fingers crossed)
(All of these things)
And etcetera, etcetera, etceteraGirl tonight, we'll make sweet love
(Tonight, yea, yea, yea)
Until the rain comes falling down on you and me
