

# Swallowing Swords

Rocky Votolato

Never let go those years of discovery  
There's only so much a pair of arms can carry  
Embrace these years of necessity  
Put your mouth around your double edged sword  
Your unhappiness is what you are  
The same nervousness that makes me good at what I do  
Is my enemy today and will be my whole life through  
I'll spend it with you  
I have climbed a mountain  
You've swam in every ocean  
You've heard a million songs and never tried to sing  
I've read hundreds of books and never wrote anything  
I love you -- Just the same
