

Heartbreaker (Single Version) [Remastered 2002]

[Dolly Parton](#)

Here I sit all alone, thinkin' 'bout what I should have known
You made me think that I could need you
You weaved your magic spell and I believed you
Lookin back on you and me
Promises that will never be
I truly thought that we were lovers
But now I find that I'm just like all the others
Heartbreaker, wish I'd seen that love was blind
Sweet little love maker
Takin my heart and leave me behind
Heartbreaker couldn't you be
Just a little more kind to me
Played with fire, felt its burn
I would have thought that I would have learned
I melted every time you kissed me
Each time you'd leave I thought that you would miss me
Heartbreaker, wish that I'd seen that love was blind
Sweet little love maker
Takin' my heart and leave me behind
Heartbreaker couldn't you be
A little more kind to me
Heartbreaker, wish that I had seen that love was blind
Sweet little love maker
Takin' my heart and leave me behind
Heartbreaker couldn't you be
Just a little more kind to me
