# Shit Comes Brown

## Krabathor

Evil boys
That forgot wigs at home
Create new history
Screaming something about warYou little stupid nazi!
Who never used to think
Why you love to wear the shirt
In color of own shit?SHIT COMES BROWN! [8 times]Why do you sit on a toilet?
You should sit upside down
Coz'brain is in your ass
And your shits in your headTry to open your mouth
As much as you can
Put finger into neck
And vomit out your brains!SHIT COMES BROWN! [8 times]
