## Don't Be Rude

## **YACHT**

Don't be rude

Don't tell me there's no face on the moon

That the air in the sky isn't blue

That there's nothing that's left for our two hearts to prove

Don't, don't don't don't

Don't be rude

I would feel much less alone

If I knew that everyone

Was as lonely as me

Was as regularly stoned as me

I would feel much less alone

If I knew that everyone

Was as phony as me

It's not only me

Who's as lonely as me

Don't be rude

Don't tell me there's no face on the moon

That the air in the sky isn't blue

That there's nothing that's left for our two hearts to prove

Don't, don't don't don't

Don't be rude

I would give up anything

I would trade in the truth

If I could convince you

That all of these old words are new

I would say most anything

If I thought that any sound

Could turn this all around

Only a kiss

Could feel as lonely as this

•••

Oh baby

...

Oh baby you

Had better watch that you say what you say is true
So maybe I can say what I can't say to you
Had better watch that you say what you say is true
So maybe I can say what I can't say to you
Had better watch that you say what you say is true

So maybe I can say what I can't say to you
Had better watch that you say what you say is true
So maybe I can say what I can't say to you
(Watch what you say, watch what you say)
Don't be rude

Don't tell me there's no face on the moon

That the air in the sky isn't blue

That there's nothing that's left for our two hearts to prove

Don't, don't don't don't

Don't be ru-ru-ru-ru-ru-ru-ru-ru-ru-ru

Don't be rude

Don't tell me there's no face on the moon
That the air in the sky isn't blue
That there's nothing that's left for our two hearts to prove

Don't, don't don't don't

Don't be rude

Ru-ru-ru-ru-ru-ru-ru

Don't be rude

Don't tell me there's no face on the moon

That the air in the sky isn't blue

That there's nothing that's left...
