Comin' Around

Juliette and the Licks

You told a lie
You make up stories
You say, "Wake up, I'm stuck
I'm comin' around, I'm on fire"You're so alive
You got the good juice
I feel alright, up-tight
I'm comin' around, I'm in my mode
I'm comin' aroundI'm goin' 'round and 'round
And I'm comin' around
You're goin' 'round and 'round
And you're comin' aroundI gotta feel you right now
Comin' around
I'm on fire
I'm comin' aroundI'm on fire
I got nothin' to lose
There's so much at stake
Why can't I make you feel used?I see your two eyes
I need a torchlight
They say, I'm on, I'm off
I got the game the ladies all want
You're comin' aroundYou're goin' 'round and 'round
And you're comin' around
I'm goin' 'round and 'round
And I'm comin' aroundI gotta feel you right now
Comin' around
I'm on fire
I'm comin' aroundIt's somethin' within
I can tell you
I like a good nite
A kiss and a simple goodbyeHow many of you have ever been
All alone and you're waitin' for that call?
I just get so hot, you know?You're so alive, you got the good juice
I feel alright, I'm all up-tight
I'm comin' around, I'm in my modeI fell you, baby, when you're so alive
Comin' around, comin' around
I gotta feel you right now
I'm on fire
I'm comin' aroundI feel alright, I'm all up-tight
I'm waitin', I, I want you

I need you, I gotta have youYou're so alive
You're so alive
You're so aliveA-a-around
A-a-round
A-a-around
A-a-roundI feel you, baby
I'm comin' around
I feel you, I'm comin' around
I'm on fire
