

Let Me Be

Radiator

Let me be your own
Let me be your love
I'm just gonna shine on
It's going on
Let me be your own
Let me be your love
I'm just gonna shine on
It's going on Oh babe I've got this loving message for you
I'm gonna tell you that my love is true
And my feelings keep inside of my mind
Because you have captured all my time Wo-oh-oh love at the sunrise
I love the blue, holding you forever
Wo-oh-oh I have the right way
To spend the night and my time with you Oh babe I've got this loving message for you
I cannot share my heart and soul with you
Take my hand I'll give you all of my time
I'll make you move the rhythm of my life Wo-oh-oh love at the sunrise
I love the blue, holding you forever
Wo-oh-oh I have the right way
To spend the night and my time with you Wo-oh-oh yeah yeah no no-oh
Wo-oh-oh...
