

Shackles and Chains

Bombay Show Pig

On a long lonesome journey I'm going
Throw your arms 'round my neck and don't cry
Though in shackles and chains they will take me
 To a prison to stay til I die
And at night through the bars I will gaze at the stars
 And long for your sweet kiss in vain
 A piece of stone I will use for my pillow
 While I'm sleeping in shackles and chains

Put your arms through these bars once my darling
 Let me kiss those sweet lips I love best
 In heartache you're my consolation
 And in sorrow my haven of rest
And at night through the bars I will gaze at the stars
 The plans that we made were in vain
 A piece of stone I will use for my pillow
 While I'm sleeping in shackles and chains
