

Substance (Felix Da Housecat remix)

Dot Allison

Don't rescue me
When I play with with fire
Don't need to know
Is this desireWe hold back words
Our eyes are giving away
Deny the past
We've come to radiateIn need of some substance
In need of some substance
A little's less than nothing
In need of some substanceThe sun might set
Tonight could be the night
And if that's the case
You'll get on all right
