Sentimental Journey

Esquivel

Gonna take a sentimental journey
Gonna set my heart at ease
Gonna make a sentimental journey
To renew old memories
I've got my bag and got my reservation
Spent each dime I could afford
Like a child in wild anticipation
Long to hear that "All aboard"
Seven, that's the time we leave
At seven, I'll be waiting out for heaven
Counting every mile of railroad track
That takes me back
Never thought my heart could be so yearning
Why did I decide to roam?
Got to take this sentimental journey
Sentimental journey home
I said at seven, that's the time we leave
At seven, I'll be waiting out for heaven
Counting every mile of railroad track
That takes me back
I never thought my heart could be so yearning
Why did I decide to roam?
Got to take this sentimental journey
Sentimental journey home
Sentimental journey home, let's go now
Sentimental journey home, sentimental journey home
Sentimental journey home, sentimental journey home
Maybe I'd better go by plane
