

Andy You're a Star

The Killers

On the field I remember you were incredible
Hey shut up, hey shut up, yeah
On the field I remember you were incredible
Hey shut up, hey shut up, yeah On the match with the boys, you think you're all alone
With the pain that you drain from love
In a car with a girl, promise me she's not your world
Cause Andy, you're a star Leave your number on the locker and I'll give you a call
Hey shut up, hey shut up, yeah
Leave your legacy in gold on the plaques that line the hall
Hey shut up, hey shut up, yeah On the streets, such a sweet face jumping in town
In the staff when the verdict is in
In a car with a girl, promise me she's not your world
Cause Andy, you're a star
In nobody's eyes but mine
Andy, you're a star
In nobody's eyes but mine
Andy, you're a star
In nobody's eyes
In nobody's eyes but mine
