Let It Flow

Jeff Deyo

We have come to bring our praise to the one who changes hearts
We are moved by Your love as You give yourself to us
And we pledge to give ourselves that the world will know Your grace
This grace that captures me, ohI wanna see Your spirit movin' through the streets
Touching everyone to bring us to our knees
So won't You pour out from the rivers of my soul
And let it flow oh yeah, just let it flow, let it flowWe have come to bring our praise to the one who changes hearts
We are moved by Your love as You give yourself to us
And we pledge to give ourselves that the world will know Your grace
This grace that covers meI wanna see Your spirit movin' through the streets
Touching everyone to bring us to our knees
So won't You pour out from the rivers of my soul
And let it flow oh yeah, just let it flow, let it flowWe need You, we yearn for You, we cry to You, we need You
We need You, we yearn for You, we cry to You, we need YouI wanna see Your spirit movin' through the streets
Touching everyone to bring us to our knees
So won't You pour out from the rivers of my soul
And let it flow oh yeah, just let it flow, let it flowI wanna see Your spirit movin' through the streets
Touching everyone to bring us to our knees
So won't You pour out from the rivers of my soul
And let it flow oh yeah, just let it flowI wanna see Your spirit movin' through the streets
Touching everyone to bring us to our knees
So won't You pour out from the rivers of my soul
And let it flow oh yeah, just let it flow, let it flow
