Parachute

Train

I wanna take you with me to life with no more yesterdays
We can start again awake and so excited
And change the way we always push
We always push
I'll open up and be your parachute
And I'll never let you down
So open up and be my human angel
And we'll only hit the ground running
And when the world gets sharp and tries to cut you down to size
And makes you feel like giving in
Oh, I will stay, I will rain, I will wash the words and pain away
And I will chase away the way we push, the way we pull
You're beautiful
I'll open up and be your parachute
And I'll never let you down
So open up and be my human angel
And we'll only hit the ground running, running
And if it feels like we might drop
It will stop, so don't look down
It wouldn't be the same without you
This life is too good to give up on
I'll open up and be your parachute
And I'll never let you down
So open up and be my human angel
And we'll only hit the ground
And we're gonna hit the ground running, running
