As Sure As The Sun

Ellie Holcomb

There is good news,
There is good truth,
That you could never change,
No matter what you do.You are loved,
More than you know,
More than you could hope for,
After everything you've done.As sure as the sun will rise,
And chase away the night,
His mercy will not end. His mercy will not end.
There is good news,
There's a promise,
That no matter where you go,
You will never be alone.
In the dark,
In the doubting,
When you can't feel anything,
O His love remains the same.As sure as the sun will rise,
And chase away the night,
His mercy will not end.Even through the night,
Ohh...
Silver stars will shine,
Hope of glory's light,
That will wake us once again.
As sure as the sun will rise,
And chace away the night,
As sure as the sun will rise,
His mercy will not end. His mercy will not end.
