# If I Were You

## [The Judds](#)

If I were you, I'd think it over
Take your time before you leave
Everyone wants the perfect lover
If I were you, I'd fall in love with meIf I were you, I'd just remember
Don't miss the forest for the trees
The mighty flame was once an ember
If I were you, I'd fall in love with meIf I were you
I'd whisper sweet I love you's everyday
If I were you
I'd never ever let me get awayIf I were you, I'd look me over
There's much more than what you see
I can prove you'll need no other
If I were you, I'd fall in love with me
If I were you, I'd fall in love with me
