Spendin' all yo money on these bitches what is that about,
Ugly, st-stupid ass,
I'll be makin' stupid cash,
Just pay real attention like them niggas in a stupid class,
Watch me youngsters, motherfuckin monster,
Pl-playin' with this paper like I'm playin' in a dumpster,
Yo' baby mama payin' all yo' bills, you'z a busta,
Even though she workin' 9 to 5 she still a hustla,
Yeah that means she's runnin' thangs,
While you out here lookin' lame,

Yeah he did that,
Oh girl, yeah I like the way he did that,
Girl you know I'm greedy,
Touchy touchy feely feely,
First I stem her like the kitty,
Then I hit her with this willy,
What she say (yeah buddy, she like)
