

We Are

Daya

[Verse 1]

Stay out late night, running red lights

That's the air we like to breathe

Breakin' your ties, crossing your lines

Leapin' over boundaries

There's never been a mold that you could fit us in

(No, no, no, no)

Doin' what we're born to do is not a sin

(No, no, no, no)[Pre-Chorus 1]

'Cause we are gonna be, we are gonna be who we are (we are)

We don't really care, we don't really care what you want (you want)

Never put a we, never put a we in the box (the box)

Gotta let it go 'cause I'm tellin' you we won't stop (won't stop)

[Chorus]

Because we are, we are, we are, we are

We are the young, we are the world

You know who we are

We are, we are, we are, we are

We are the young, we are the world

You know who we are

We might be reckless, but we're gonna do just what we do

'Cause we are, we are, we are, we are

We are the young, we are the world

You know who we are[Post-Chorus]

You know who we are

You know who we are[Verse 2]

Make our own rules, stickin' like fools

Ready to call the police

We can skip school 'cause we're too cool

To be told we can't be free

You can go ahead and try to knock us out

(Yeah, yeah, yeah, yeah)

Ain't no keepin' us from doing what we love (we love)

'Cause we love it too much[Pre-Chorus 2]

We are gonna be, we are gonna be who we are (we are)

Gotta let it go 'cause I'm telling you we won't stop, won't stop (won't stop)[Chorus]

Because we are, we are, we are, we are

We are the young, we are the world

You know who we are

We are, we are, we are, we are
We are the young, we are the world
You know who we are
We might be reckless, but we're gonna do just what we do 'Cause we are, we are, we are, we are
We are the young, we are the world
You know who we are[Post-Chorus]
You know who we are
You know who we are[Bridge]
We don't hear what you're saying
Being us is okay
We don't hear what you're saying
Being us is okay[Instrumental for Partial Chorus]
(We are, we are, we are, we are, we are, we are, we are, we are, we are, we are)[Partial Chorus]
We might be reckless, but we're gonna do just what we do 'Cause we are, we are, we are, we are
We are the young, we are the world
You know who we are[Outro]
Ye-eah-e-eah-e-eah, you know who we are
You know who we are
You know who we are
You know who we are
We are, you know who we are
