

# Lock It Up

Brooke Eden

I treat you real nice baby, baby  
Don't it feel nice when I drive ya crazy  
Say all the things that turn you on and love you all night long  
You got it real good dontcha dontcha  
Don't it feel good when I tell ya I want ya  
I do everything I can to make you feel like a man

I'll be your friend, your lover, your angel undercover  
boy its time you understand  
You've gotta lock it up, lock it up  
The key is in your hand  
You've gotta lock it up, lock it up  
Get it while you can  
If you dont make your move im gonna make mine  
If im not your forever then stop wasting my time  
Chain my heart, or free my soul  
Lock it up or let me go

You've got the real thang darlin darlin  
It's a feel thing and im still fallin  
But boy I need to hear you say the words that make me stay  
That im the one your only  
You'll never leave me lonely  
Baby don't you make me wait  
You've gotta lock it up, lock it up  
The key is in your hand  
You've gotta lock it up, lock it up  
Get it while you can  
If you dont make your move im gonna make mine  
If im not your forever then stop wasting my time  
Chain my heart, or free my soul  
Lock it up or let me go

Well it ain't about the diamond  
It ain't about the bling  
Is it so much to ask to be your everything  
You've gotta lock it up, lock it up  
The key is in your hand  
You've gotta lock it up, lock it up

Get it while you can  
If you dont make your move im gonna make mine  
If im not your forever then stop wasting my time  
Chain my heart, or free my soul  
Lock it up or let me lock it up  
or let me go  
oh you gotta lock it up or let me go yaaa  
oh you gotta lock it up
