

# Let It Go

## The Bangles

One thing or another  
Your head is filled with  
Questions, sights and sounds  
Distractions always get you down  
Turn around trying to remember  
Where you were the day before  
North and south and east and west  
Where to go When it's over  
When it's done  
Let it go Frightened by the numbers  
All the possibilities  
Changing minds, you hope to find  
One more dream to remind you  
What is lost can always be regained  
Oooh When it's over  
When it's done  
Let it go When it's over  
When it's over  
When it's done  
When it's over  
When it's over  
When it's done  
Let it go Naa naa naa naa  
Naa naa naa naa
