

Lady Bird (With Lee Hazlewood)

Nancy Sinatra

I've been where the eagle flies
Rode his wings 'cross autumn skies
Kissed the sun, touched the moon
But he left me much too soon.

His lady bird

He left his lady bird Lady bird come on down

I'm here waiting on the ground

Lady bird I'll treat you good

Aw, lady bird I wish you would.

You lady bird

Pretty lady bird Lightning flashed across the sky

The night he taught me how to fly

The sun came up and then I found

Too soon he let his lady down.

His lady bird

I'm his lady bird Lady bird come on down

I'm here waiting on the ground

Lady bird I'll treat you good

Aw, lady bird I wish you would.

You lady bird

Pretty lady bird Winter lives in my heart

In the times we're apart

Summer sings a song or two

When he says "I love you true".

My lady bird

Yeah, I'm his lady bird Lady bird come on down

I'm here waiting on the ground

Lady bird I'll treat you good

Aw, lady bird I wish you would.

You lady bird

Pretty lady bird (I'm your lady bird)

You're a lady bird (Yes, I'm a lady bird)

You're too much you little bird.
