

All Time

BRONCHO

My eyes alone are enough to stare

Alright

Alltime

Gonna get you home daddy

I'd rather be I'd rather be alone

Alright

Alltime

Gonna get you home daddy Is anybody easier

Is anybody hold it tight

I'm never gonna see ya

I'm gonna make it easier

If anybody peak inside

I'd never wanna scare off the lonely

I'd rather be rather than be alone

Alright

Alltime

Gonna get you home daddy Is anybody easier

Is anybody hold it tight

I'm never gonna see ya

I'm gonna make it easier

If anybody peak inside

I think I kinda see ya

I wouldn't want it easier

I wouldn't wanna testify

I'd never scare the skin off the lonely

I'd rather be I'd rather be alone

Gonna get you home daddy

Alright

Alltime

Gonna get you home daddy
