

Soft Shock (acoustic)

Yeah Yeah Yeahs

Unknown, talk to unknown
Ever, lasts forever
Well it's a shock, shock to your soft side
Summer moon
Catch your shut eyes in your room
In my room
In your room
In my room Louder, lips speak louder
Better, back together
Still it's a shock, shock to your soft side
Summer moon
Catch your shut eyes in my room
In your room
In my room
In your room Whats the time
Whats the day
Go and leave me
Whats the time [Repeat x2]
Whats the place
Go and leave me Out,
