

Hope I Don't Fall In Love With You

Tom Waits

Well I hope that I don't fall in love with you
'Cause falling in love just makes me blue
Well the music plays and you display your heart for me to see
I had a beer and now I hear you calling out for me
And I hope that I don't fall in love with you Well the room is crowded, there's people everywhere
And I wonder should I offer you a chair?
Well if you sit down with this old clown I'll take that frown and break it
Before the evening's gone away I think that we could make it
And I hope that I don't fall in love with you I can see that you are lonesome just like me
And it being late you'd like some company
Well now I've had two, I look at you and you look back at me
The guy you're with has up and split, the chair next to you's free
And I hope that you don't fall in love with me And I hope that I don't fall in love with you
Well the night does funny things inside a man
These old Tom-cat feelings you don't understand
Well I turn around to look at you, you light a cigarette
I wish I had the guts to bum one but we've never met
And I hope that I don't fall in love with you
