

# Hero

## Regina Spektor

He never ever saw it coming at all  
He never ever saw it coming at all  
He never ever saw it coming at all  
It's alright, it's alright, it's alright, it's alright  
It's alright, it's alright, it's alrightHey, open wide, here comes original sin  
Hey, open wide, here comes original sin  
Hey, open wide, here comes original sin  
It's alright, it's alright, it's alright, it's alright  
It's alright, it's alright, it's alright  
It's alright, it's alright, it's alrightNo one's got it all  
No one's got it all  
No one's got it allPower to the people, we don't want it, we want pleasure  
And the TV's try to rape us and I guess that they're succeeding  
And we're going to these meetings but we're not doing any meeting  
And we're trying to be faithful but we're cheating, cheating, cheatingHey, open wide, here comes original sin  
Hey, open wide, here comes original sin  
Hey, open wide, here comes original sin  
It's alright, it's alright, it's alright, it's alright  
It's alright, it's alright, it's alright  
It's alright, it's alright, it's alrightNo one's got it all  
No one's got it all  
No one's got it allPower to the people, we don't want it, we want pleasure  
And the TV's try to rape us and I guess that they're succeeding  
And we're going to these meetings but we're not doing any meeting  
And we're trying to be faithful but we're cheating, cheating, cheatingI'm the hero of the story, don't need to be  
saved  
I'm the hero of the story, don't need to be saved  
I'm the hero of the story, don't need to be saved  
I'm the hero of the story, don't need to be savedIt's alright, it's alright, it's alright, it's alright  
It's alright, it's alright, it's alright  
It's alright, it's alright, it's alright  
It's alright, it's alright, it's alrightNo one's got it all  
No one's got it all  
No one's got it all
