

You Know How to Make Me Feel So Good

Harold Melvin & The Blue Notes

Touch me, you know just how to touch me

Kiss me, you know just where to kiss me You know how to make me, make me feel so good

You know how to make me, make me feel so good Hold me, I feel secured when you're holding me

Talk to me, I understand when you talk to me 'Cause you know how to make me, make me feel so good

You know how to make me, make me feel so good I've waited all of my life for someone like you

I'm so glad I found you, I'm so glad you're mine, oh, mine

Touch me, I like the way you touch me

Love me, God made you to love me 'Cause you know how to make me, make me feel so good

You know how to make me, make me feel so good I've waited all of my life for someone like you

I'm so glad, I'm so glad I got you, babe

Believe me I'm glad you're mine, all mine

Touch me, I like the way you touch me, girl

You can love me for God made you to love me 'Cause you know how to make me, make me feel so good

You know how to make me, make me feel so good

You know how to make me, make me feel so good

You know how to make me, make me feel so good You know how to make me, make me feel so good

You know how to make me, make me feel so good

You know how to make me, make me feel so good

You know how to make me, make me feel so good
