

# This Addiction (Acoustic)

## Alkaline Trio

You hit me just like heroin  
I feel you coursing through my veins  
I once tried to kick this addiction  
I swear I'll never kick again  
Won't ever kick again, no This addiction, can't seem to live without you  
This addiction, no going clean  
This addiction, I go through withdrawal without your  
Sick with this addiction in me Well those others were like methadone  
I took to get me through the day  
Now I'm trying to find my way back home  
Staying clean along the way  
Hold out for the real thing, yeah This addiction, can't seem to live without you  
This addiction, now going clean  
This addiction, I go through withdrawal without your  
Sick with this addiction in me
