Stumble and Fall

No Fun At All

Making a bet and I feel that I should have known better
Turning the pages so slow as I ever could
Shot shot I need a shot of persuasion right now
Let down the offer at once
'cause I'm weak and afraid to be wrongBut in time, well I need another piece of your mind
In time, and the feeling is strong and I'm riding it high
In time, well I need another piece of your mind
In time, and the feeling is strong
And I'm riding it high for youShaking my head so gently afraid to be simple
Waiting for you reaction, for your response
Time out, I don't need any suspension at all
Sit still, it's all for the best
'cause you stumble and fall for your loveFaking a laugh the sound is loud and annoying
Taking it back is something that can't be done
Let go, the spirits is no in the ceiling tonight
Step down and lick all my wounds
Is the only thing left for me now
