# Serve The Servants

## Nirvana

Teenage angst has paid off well
Now I'm bored and old
Self-appointed judges judge
More than they have soldIf she floats then she is not
A witch like we had thought
A down payment on another one
At Salem's lotServe the servants, oh no
Serve the servants, oh no
Serve the servants, oh no
Serve the servants
That legendary divorce is such a boreAs my bones grew they did hurt
They hurt really bad
I tried hard to have a father
But instead I had a DadI just want you to know that
I don't hate you anymore
There is nothing I could say
That I haven't thought beforeServe the servants, oh no
Serve the servants, oh no
Serve the servants, oh no
Serve the servants
That legendary divorce is such a boreServe the servants, oh no
Serve the servants, oh no
Serve the servants, oh no
Serve the servants, oh no
Serve the servants, oh no
Serve the servants, oh no
Serve the servants
That legendary divorce is such a bore
