Sauced Up

Fifth Harmony

We can get sauced up
Forever we're young, we'll never get old
'Cause when I get sauced up
I be like, so what?
So what, so what
So what, so what
H moneyYour flow, no go
Don't you know I'm fluent in the bro-code
I can make you come up off the bands though
Drop a couple show me what you came for (ah)
Disaronno on the rocks (on the rocks)
Fireball lemon drop (lemon drop)
It's one o'clock on the dot (on the dot)
Shut up boy you talk a lot (uh)
So what we on right now (right now)
What we doing' right now
I don't want no problems, I want power
I'm driving, you followWe can get sauced up
Forever we're young, we'll never get old
Blame it on drunk love
We can explain it all tomorrow
I'll show you how to rock with the bass down low
I'll show you how to rock the way I roll
'Cause when I get sauced up
I be like, so what?
So what, so what
Sauced up sauced up
I be in my feelings when I'm sauced up
I be in my bag feeling bossed up
If it make you mad, then so what
Disaronno on the rocks (on the rocks)
Fireball lemon drop (lemon drop)
It's one o'clock on the dot (on the dot)
Shut up, boy, you talk a lot (uh)So what we on right now (right now)
What we doing' right now
I don't want no problems, I want power
I'm driving, you followWe can get sauced up
Forever we're young, we'll never get old
Blame it on drunk love

We can explain it all tomorrow
I'll show you how to rock with the bass down low
I'll show you how to rock the way I roll
'Cause when I get sauced up
I be like, so what?
So what, so whatWhat a night, what a feeling
Cup of ice to the ceiling
Put your cards on the table
Keep it a hundred, baby, show me what you made of
So what we on right now?
What we doing right now?
I don't want no problems, I want power
I'm driving, you followWe can get sauced up
(Forever we're young, we'll never get old)
Blame it on drunk love
We can explain it all tomorrow
I'll show you how to rock with the bass down low
I'll show you how to rock the way I roll
'Cause when I get sauced up
I be like, so what?
So what, so whatSauced up, sauced up
I be in my feelins when I'm sauced up
I be in my bag feeling bossed up
If I make you mad so what, so what
Sauced up, sauced up
I be in my feelins when I'm sauced up
I be in my bag feeling bossed up
And if it make you mad, so what, so what
So what, so what
So what, so what
