

Oh, It Is Love

Hellogoodbye

Oh, it is love
From the first time
I set my eyes
Upon yours
Thinkin' oh, is it love?

Oh, Dear,
It's been hardly a moment
You are already missed
There is still a bit of your skin
That I've yet to of kissed

Oh, stay, please do not go
But you know, oh, you
Know that I must
Oh, stay, I love you so
But you know, oh,
You know you can trust
We'll be holding hands once again
All our broken plans I will have mend
And I will hold you tight
So you know

It is love
From the first time
I pressed my hand to yours
Thinkin', oh, is it love

Oh, Dear, it's been hardly three days
Yet I long to feel your embrace
There are several days yet
Until I can see your sweet face
Oh, say, wouldn't you like
To be older and married with me
Oh, say, wouldn't it be nice to know
And now we will be
Someday holding hand in the end
All our broken plans I will mend
I will kiss you soft

So you know

It is love
From the first time
I pressed my lips against yours
Thinkin', oh, is it love

Oh

Your heart may long
For a love that is more new
So, when I'm gone
These words will be here
To ease every fear
And dry up every tear
And make it very clear
I kiss you and I know

It is love from the first time
I pressed my lips against yours
Thinkin', oh, is it love

Oh, it is love from the first
Time I pressed my lips against yours
Thinkin' oh, is it love
Oh, I kiss you and I know

It is love
From the first time
I pressed my lips against yours
Thinkin', oh, is it love
