

Another Land

Medio Mutante

Necesito s  lo una vez
Mis sentimientos no son falsos
Necesito explicarte algo
Era un amor inmediato
Dame solo una vez
Mis sentimientos no son caros
Necesito explicarte algo
Era un amor inmediato
Me llevaste por mi mano
Sobre otras tierras
Me tuviste a tu lado
En tus sue  os
Caminando por los mares
Y en las nubes
Te regal   mi coraz  n
Siempre separ   tu porci  n
En mi fantas  a tal vez descubrir  s
  sa tierra
En mi fantas  a tal vez descubrir  s
  sa tierra

One time is all that it takes
You know these feelings I can't fake
They come direct from my starter
Come on here I'll give you my heart

And we could walk through dreams
You would see what I mean
I could take your hand
In another land

One time is all that it takes
You know these feelings I can't fake
They come direct from my starter
Come on here I'll give you my heart

And we could walk through dreams
You would see what I mean
I could take your hand

In another land

En mi fantas~a tal vez descubrir~s

~osa tierra

En mi fantas~a tal vez descubrir~s

~osa tierra

En mi fantas~a tal vez descubrir~s

~osa tierra

En mi fantas~a tal vez descubrir~s

~osa tierra
