

Paranoid Freak (Remastered)

The Trews

Hey sing a bad song
Get it stuck in your head
I'm singing along
I cant help it Kids starting to whine
Exploding my mind
Satan get thee behind
I'm saturated It's closing in on me, it's closing in on me, it's closing in If, you see something don't
Say something to me
I'm a paranoid freak
Already I'm a man on the brink
I've had too much to think
I'm a paranoid freak
Already Joe, average guy
Needs more things to buy
Spoon feed me a lie
And I'll eat it I'm on a bad trip
Too many loose lips
All rockng my ship
And I'm sinking It's closing in on me, it's closing in on me, it's closing in If, you see something don't
Say something to me
I'm a paranoid freak
Already I'm surrounded by beasts
Closing in on me
I'm a paranoid freak
Already If, you see something don't
Say something to me
I'm a paranoid freak
I'm a paranoid freak Is this freedom of information
Or is this mass intimidation In the land of the free
I stand on guard for thee
I'm a vigilante
I'm caffeinated If, you see something don't
Say something to me
I'm a paranoid freak
Already I'm a man on the brink
Give me something to drink
I'm a paranoid freak
Already If, you see something don't

Say something to me[I'm a paranoid freak x10][Outro]
