

# Secret Meeting

## The National

I think this place is full of spies, I think they're onto me  
Didn't anybody, didn't anybody tell you  
Didn't anybody tell you how to gracefully disappear in a room I know you put in the hours  
To keep me in sunglasses, I know  
And so and now I'm sorry I missed you  
I had a secret meeting in the basement of my brain It went the dull and wicked ordinary way  
It went the dull and wicked ordinary way  
And now I'm sorry I missed you  
I had a secret meeting in the basement of my brain I think this place is full of spies, I think I'm ruined  
Didn't anybody, didn't anybody tell you  
Didn't anybody tell you, this river's full of lost sharks I know you put in the hours  
To keep me in sunglasses, I know  
And so and now I'm sorry I missed you  
I had a secret meeting in the basement of my brain It went the dull and wicked ordinary way  
It went the dull and wicked ordinary way  
And now I'm sorry I missed you  
I had a secret meeting in the basement of my brain  
And now I'm sorry I missed you  
I had a secret meeting in the basement of my brain It went the dull and wicked ordinary way  
It went the dull and wicked ordinary way  
It went the dull and wicked ordinary way
