

# You and Me

## Living Death

My heart is burning hot, but you don't love me  
I want to try up, but you made me stop  
I read in every letter that you were a slattern  
And I'm not slight, I hold, hold you tight When you're skulking, you planned a bad thing  
And in you eyes I see the lies  
Take some advice before you pay the price  
And your desperation, for me a sensation You And Me, the Devil see  
You And Me, I wanna be free  
You And Me, the Devil see  
Me And You My heart is burning hot, but you don't love me  
I want to try up, but you made me stop  
I read in every letter that you were a slattern  
And I'm not slight, I hold, hold you tight  
You And Me, the Devil see  
You And Me, I wanna be free  
You And Me, the Devil see  
Me And You When you're skulking, you planned a bad thing  
And in you eyes I see the lies  
Take some advice before you pay the price  
And your desperation, for me a sensation My heart is burning hot, but you don't love me  
I want to try up, but you made me stop  
I read in every letter that you were a slattern  
And I'm not slight, I hold, hold you tight You And Me, the Devil see  
You And Me, I wanna be free  
You And Me, the Devil see  
Me And You  
When you're skulking, you planned a bad thing  
And in you eyes I see the lies  
Take some advice before you pay the price  
And your desperation, for me a sensation You And Me  
You And Me  
You And Me  
You And Me  
You And Me  
You And Me  
You And Me  
You And Me...
