

Idle Gossip

Toy Dolls

Guess, "Who's working on the fiddle?"
Tell me, "Who works on the fiddle?"
I'll tell you who works on the fiddle
Ooh idle gossip
Guess, "Who's just come off the pill?"
Tell me, "Who's come off the pill?"
Ooh idle gossip They must be thick
It's everywhere you go
It makes me sick
I just don't wanna know
About who's in the latest news
Oh no Everybody wants to know the rumors
Everybody wants to know the scandal
Idle, idle, idle
Idle, idle, idle
Idle, idle, idle
Idle gossip
Yeah Oh guess, "Who can't pay their gas bill?"
Tell me, "Who can't pay the bill?"
I'll tell you who can't pay the bill
Ooh idle gossip
Guess, "Who I slept with last night?"
Tell me, "Where you slept last night?"
Ooh idle gossip They must be thick
It's everywhere you go
It makes me sick
Oh I don't wanna know
About who's in the latest news
Oh no Everybody wants to know the rumors
Everybody wants to know the scandal
Idle, idle, idle
Idle, idle, idle
Idle, idle, idle
Idle gossip They must be thick
It's everywhere you go
It makes me sick
Oh I don't wanna know
About who's in the latest news
Oh no Everybody wants to know the rumors

Everybody wants to know the scandal

Idle, idle, idle

Idle, idle, idle

Idle, idle, idle

Idle gossip

Yeah

Gossip, gossip, gossip, gossip
