

# I Want You

## Elastica

Ooh, ooh  
Ooh, ooh  
Ooh, ooh Give me a, headache  
Give me a, heartbreak  
The pains you, don't fake  
I want you, oo-oo, ooh Sometimes you're bruising'  
Sometimes you're cruising'  
And when you're, losing' usin'  
I want you, oo-oo, ooh I count on you I do  
I want you  
I count on you I do  
I want you Give me a, headache  
Give me a, heartbreak  
Some pains I, can't fake  
I want you, oo-oo, ooh Sometimes I'm, bruising'  
Sometimes I'm, cruising'  
But when I'm, losing' usin'  
I want you, oo-oo, ooh I count on you I do  
I want you  
I count on you I do  
I want you I've seen you, shake it  
I've seen you, make it  
Go on and, break it I've seen you, shake it  
I've seen you, make it  
But when you, break it I want you, oo-oo, ooh  
I want you, oo-oo, ooh  
I want you, oo-oo, ooh  
I want you I've seen you, skinning'  
I've seen you, winning'  
But when you're, grinning'  
I want you
