Fast Car - Radio Edit

Jonas Blue

You got a fast car
I want a ticket to anywhere
Maybe we'll make a deal
Maybe together we can get somewhere
Any place is better
Starting from zero, got nothing to lose
Maybe we'll make something
Me, myself, I got nothing to proveYou got a fast car
And I got a plan to get us out of here
I've been working at a convenience store
Managed to save just a little bit of money
We won't have to drive too far
Just across the border and into the city
You and I can both get jobs
And finally see what it means to be living

You got a fast car

Is it fast enough so we can fly away?

We gotta make a decision

We leave tonight or live and die this waySo I remember we were driving, driving in your car

The speed so fast, I felt like I was drunk

City lights lay out before us

And your arm felt nice wrapped 'round my shoulder

And I, I had a feeling that I belonged

And I, I had a feeling that I could be someone

Had a feeling that I could be someone You see, my old man's got a problem

He lives with the bottle, that's the way it is

He says his body's too old for working

His body's too young to look like his

My mama went off and left him

She wanted more from life than he could give

I said, somebody's got to take care of him

So I quit school and that's what I did

You got a fast car

And we go cruising to entertain ourselves

You still ain't got a job

And I work in a market as a checkout girl

I know things will get better

You'll find work and I'll get promoted

We'll move out of the shelter

Buy a bigger house and live in the suburbsYou got a fast car Is it fast enough so we can fly away?

You gotta make a decision

We leave tonight or live and die this waySo I remember we were driving, driving in your car

The speed so fast, I felt like I was drunk

City lights lay out before us

And your arm felt nice wrapped 'round my shoulder

And I, I had a feeling that I belonged

And I, I had a feeling that I could be someone

Had a feeling that I could be someone
