

# Wise Men

## Wu-Tang Clan

[RZA]

Christians say that you can study all day  
pray all day, and chant all day  
But you get to heaven faster  
if you hang with the wise men  
Yeah I would say once you got inspired spark  
Y'know, you strive, to, y'know  
You gotta put, y'know you gotta keep puttin wood on it as they say  
Right? Keep it burnin or whatever  
You gotta find a way to keep it burnin  
But then there's the optimum side of it  
That's the burnin fire that's burnin but it don't burn  
Knahmean? Just in life, like the sun  
You know the sun is seen, like that  
But it's like a eternal sun that  
that it is on regardless, you just on  
You just free from, y'know  
Shit don't work on you no more  
The story of the villain
