I Cannot Love You

Telekinesis

Do you know I'm sick?
Do you know I'm crazy?
Never gets things done
Yeah I think you're lazyAnd I cannot love, I cannot love you
No, I cannot love, I cannot love youAnd I think you're right
But I think you're wrong
Got a heavy heart
And a sad,sad songAnd I cannot love, I cannot love you
No, I cannot love, I cannot love youBut, I cannot love, I cannot love you
No, I cannot love, I cannot love you'Cause I cannot love, I cannot love you
No, I cannot love, I cannot love you (2x)
