

# Damn Baby

## Alpine

Yeah, I'm here  
And I've been willing to take this leap for a while now  
Yeah, I'm here  
And I've been willing to jump right in for years now  
Hey, I beg of you  
Help me out  
Help me out  
I beg of you  
Lure me out  
Lure me out  
I'm waiting for the day  
When this gets easier  
I'm waiting for the day  
When this gets harder  
Yeah, I'm here  
And I've been willing to take this leap for a while now  
Yeah, I'm here  
And I've been willing to jump right in for years now  
Yeah, oh  
Damn baby  
Damn baby  
Yeah, oh  
Damn baby  
Damn baby  
Hey, don't even try  
To dream up something that we are not  
An animal  
Predator  
With most sense it's true I lure  
I'm waiting for the day  
When this gets easier  
I'm waiting for the day  
When this gets harder  
Yeah, I'm here  
And I've been willing to take this leap for a while now  
Yeah, I'm here  
And I've been willing to jump right in for years now  
Yeah, oh  
Damn baby

Damn baby  
Yeah, oh  
Damn baby  
Damn baby  
Yeah, I'm here  
And I've been willing to take this leap for a while now  
Yeah, I'm here  
And I've been willing to jump right in for years now  
Yeah, I'm here  
And I've been willing to take this leap for a while now  
Yeah, I'm here  
And I've been willing to jump right in for years now  
Damn baby  
Damn baby  
Yeah, oh  
Damn baby  
Damn baby
