

# Fare Thee Well

## Peter Sellers & Sophia Loren

There's a cold wind blowing across my heart  
Feels like forever since we've been apart  
It's so hard, baby, I don't know where to begin

I've been so lucky in this life of mine  
The best of both worlds most of the time

But now I know it's time for me to go

# Fare thee well, I'll soon be gone

Fare thee well, back where I belong

We had our moments, our days in the sun

But now it's time I should be movin' on

But you'll be in my heart, wherever I go

#

I'm on my way, I'm going home

My bags are packed and I'm ready to roll

I'm goin' home, don't you cry

Let's have a drink before we say goodbye

I'm goin' home

Goin' home

All the love we've shared for years

Enough to make a heart break

All the joy, all the tears

Take me back where I belong

#

I'm going home

Going home

I'm on my way, I'm goin' home

My bags are packed and I'm ready to roll

I'm goin' home, don't you cry

Let's have a drink before we say goodbye...

I'm goin' home

Goin' home
