

Come Boldly

Melinda Watts

I fell far away
But I could hear you calling me
Bound in chain yet you say I can be free
Wounded and yet you say I can be whole
I get weary I know there's rest for my soul

You say you understand exactly where I am
And with your love, your perfect love
You draw me once again

So I come boldly
to your throne of grace
To obtain mercy
In my time of need
No matter what I've done
Your love won't turn me away
so I will come boldly to your throne of grace

I get so afraid
but you can take away my fear
lonely, but your presence lingers near
sometimes I'm insecure
But I find confidence in you
And when I'm overwhelmed
You know exactly what to do, to do

You say you know you truly exactly where I am
And with your love, your perfect love
You draw me once again

So I come boldly
to your throne of grace
To obtain mercy
In my time of need
No matter what I've done
Your love won't turn me away
so I will come boldly to your throne of grace

Nothing can separate me from you
Nothing can keep me away

I am determined to closer to you
whatever it takes
So I lay aside every way
That would keep me from you

Don't wanna go back
I'm runnin
I need somethin (somethin)
I know just what it is and I'm finding
You called me
I come boldly
I'm runnin to your throne of grace
(repeat)

[This part gets a bit confusing so listen to the song for confirmation] (Every line is echoed)

You changed me
And I'll never be the same
You healed me
And I'll never be the same
You washed me
And I'll never be the same
And I'll never be the same

And I'll never no never
I'll never
I'll never be the same
