

Hands Off

Clique Girlz

there's a rumor circulating
you put the moves on
the one i'm dating
your message
intercepted
your actions need to be corrected
you don't have a
chance in heaven
you'll never get him
give it up cause you can't win hands off
he's mine
i see you talkin' in his ear
it's fine
i know you think you're gonna change his mind
but you're so dead wrong
hands off
it's time
he's all about me
he won't cross the line
you need to hear it
let me clarify
verify
he's abso-freaking-totally mine i got his picture
on my dresser
that says i love you
always and forever
your agenda
so abrasion
shot it down cause he thinks that i'm amazing
yeah hands off
he's mine
i see you talkin' in his ear
it's fine
i know you think you're gonna change his mind
but you're so dead wrong
hands off
it's time
he's all about me
he won't cross the line

you need to hear it
let me clarify
verify
he's abso-freaking-totally mine i'm truly sorry things went down this way
we'd be cool if you had stayed away you'll never get him hands off
hands off
hands off
oh oh hands off
he's mine
i see you talkin' in his ear
it's fine
i know you think you're gonna change his mind
but you're so dead wrong
hands off
it's time
he's all about me
he won't cross the line
you need to hear it now
so listen up i've had enough
get it straight
and don't debate
let me clarify
verify
he's abso-freaking-totally mine
